

## **ELEGANCE OF NATURAL STONE**

**The natural elegance and breathtaking beauty of granite makes it the perfect choice to enhance bathroom countertops, kitchen tops, and fireplaces. AZ Countertops uses the finest granites from around the world to bring you the highest quality countertops. Quality, value, and dependable lead time make AZ Countertops the place to shop for granite. Granite tops from AZ Countertops, Inc. are competitively priced.**

**Available in a striking array of colors, granite's durability and longevity make it ideal for kitchen counter tops, bathroom countertops, and other heavily used surfaces.**

**Some synthetic surfaces scratch easily and melt under hot cookware, granite resists heat. Granite is nearly impossible to scratch and with proper cleaning, will not stain under normal use. Granite is ranked number 1 in cleanability and low maintenance, often requiring only warm water to maintain its beauty.**

**Stone is a product of nature and has its own unique qualities that distinguish it from other surface material. The wonderful character that is offered by view pattern, color variations and other design characteristics of stone should be taken into consideration when selecting the perfect stone for your project.**

**Disclaimer of natural stone:**

**Granite, marble, and other slab materials are natural stones with inherent variations in color, inclusions, and banding/markings, pitting, veining and surface finish, no two pieces will look alike.**

**Any finish blemish, pitting, etc, that derives from a natural stone will not be allowed as a reason for not accepting the finish installation. AZ Countertops, Inc., does not alter the factory finish on the face of materials.**
